| Autumn                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| <p><b>What makes me special?</b></p> <p>I can talk about members of my immediate family</p> <p>I can draw a map of my house</p> <p>To describe the natural world – see/hear around the school grounds</p> <p>I can draw simple maps of journeys</p> | <p>Prior Learning: EYFS maps of house/story maps</p> <p><b>Spatial Awareness- Our School</b></p> <p><b>Week 1</b><br/>To learn about maps and how to make them – maps of the classroom</p> <p><b>Week 2</b><br/>To learn about the key parts in our school.</p> <p><b>Week 3</b><br/>To find out how to draw a map of our school</p> <p><b>Week 4</b><br/>To make our own map of the school</p> <p><b>Week 5</b><br/>To carry out fieldwork in the school</p> | <p>Prior Learning: EYFS maps of house/story maps</p> <p><b>Spatial Awareness-Y1 Our School</b></p> <p><b>Spatial Awareness- Local Area</b></p> <p><b>Week 1</b><br/>To know compass directions</p> <p><b>Week 2</b><br/>To know that maps gives information. To learn how to look at a local map of Sileby</p> <p><b>Week 3</b><br/>To learn about map symbols and keys</p> <p><b>Week 4</b><br/>To plot out a map of a local area</p> <p><b>Week 5</b><br/>To draw a map of a local area</p> <p><b>Week 6</b><br/>To carry out fieldwork in the local area</p> | <p>Prior Learning: EYFS maps of house/story maps</p> <p><b>Spatial Awareness-Y1 Our School, Y2 Spatial Awareness (map work throughout all previous units)</b></p> <p><b>Spatial Awareness</b></p> <p><b>Week 1</b><br/>To know what a compass is and why they are important - The eight points of a compass are: north, north east, east, south east, south, south west, west and north west.</p> <p><b>Week 2</b><br/>To know that symbols give us information about locations on a map.</p> <p><b>Week 3</b><br/>To know grid references help us to locate places on a map. The grid references are usually labelled as either numbers or letters. The horizontal lines are referred to as 'eastings' because the numbers/ letters increase as you move east, whereas, the vertical lines are called 'northings' as their numbers increase as you move north.</p> <p><b>Week 4/5</b></p> | <p>Prior Learning: EYFS maps of house/story maps</p> <p><b>Spatial Awareness, Y1/2/3/ Spatial Awareness (map work throughout all previous units)</b></p> <p><b>Spatial Awareness</b></p> <p><b>Week 1</b><br/>To recognise geographical tools on a globe. Latitude lines run parallel to the equator and tell us how far north or south a location is. Longitude lines parallel to the Prime Meridian line and tell us how far east or west a location is.</p> <p><b>Week 2</b><br/>To know that scale tells us the distance between places on a map.</p> <p><b>Week 3</b><br/>To use four figure grid references to locate places on a map - Grid references have information that help us to find locations. The horizontal lines are called 'eastings'. The vertical lines are called 'northings'.</p> <p><b>Week 4</b><br/>To recognise key features of the local area.</p> <p><b>Week 5</b></p> | <p>Prior Learning: EYFS maps of house/story maps</p> <p><b>Spatial Awareness, Y1/2/3/4 Spatial Awareness (map work throughout all previous units)</b></p> <p><b>Week 1</b><br/>To understand that cartographers draw imaginary lines to divide the world into sections. Lines of latitude are parallel to the equator running from east to west. Lines of longitude run from the poles; from north to south.</p> <p><b>Week 2</b><br/>To know there are Eastern and Western hemispheres. know that there are four hemispheres. I know that the Prime Meridian divides the Eastern and Western hemispheres. I know the Prime Meridian runs through Greenwich in London.</p> <p><b>Week 3</b><br/>To use coordinates to locate places on a map. A co-ordinate is a point where lines on a globe cross over.</p> <p><b>Week 4</b></p> | <p>Prior Learning: EYFS maps of house/story maps</p> <p><b>Spatial Awareness, Y1/2/3/4/5 Spatial Awareness (map work throughout all previous units)</b></p> <p><b>Spatial Awareness</b></p> <p><b>Week 1</b><br/>To understand lines of longitude and latitude divide the world into sections.</p> <p><b>Week 2</b><br/>To understand the climate of different regions depending on the lines of latitude.</p> <p><b>Week 3</b><br/>To understand that the world is divided into 24 hourly time zones.</p> <p><b>Week 4</b><br/>To understand map projection and what it represents.</p> <p><b>Week 5</b><br/>To identify the diversity of the world through the use of maps.</p> <p><b>Week 6</b><br/>To understand the difference in development across the globe.</p> |

|  |  |  |                                                                                                                                                                                           |                                                   |                                                                                                                                            |  |

| <p><b>What is it like in the cold?</b></p> <p>To know about cold places – north pole, south pole – what is life like to live there - Igloos</p> <p>To know the animals that live there – penguins, polar bears<br/>To know where the north and south pole are compared to where we live.</p> | <p>Prior Learning: EYFS<br/>What's it like in the cold?<br/>How does your garden grow?</p> <p><b>Hot and Cold Places around the World</b><br/><b>Week 1</b><br/>To start to know the world and find the seven continents<br/><b>Week 2</b><br/>Recap: Continents and oceans each lesson.<br/>To start to understand where the cold places are what those places are.<br/><b>Week 3</b><br/>Recap: Continents and oceans each lesson.<br/>To understand where some of the hottest places are and what deserts are.<br/><b>Week 4</b><br/>Recap: Continents and oceans each lesson.<br/>To understand where some of the hottest places are and what rainforest are.</p> | <p>Prior Learning: EYFS maps of house/story maps, Do you like to be by the Seaside?<br/>Spatial Awareness-Y1/2</p> <p><b>Different Places</b><br/><b>Week 1</b><br/>To know about human and physical features<br/><b>Week 2</b><br/>To find about villages and the characteristics they may have Sibley and Seagrave<br/><b>Week 3</b><br/>To find out about towns and the characteristics they may have – Loughborough<br/><b>Week 4</b><br/>To find out about cities and the characteristics they may have - Leicester<br/><b>Week 5</b><br/>To find about costal places and the features they might have – Scarborough</p> | <p>Prior Learning: Y1 Hot and Cold Countries, Y2 Different Types of Places<br/><b>Italy!</b><br/><b>Week 1</b><br/>To identify Europe and the countries within it. Mediterranean Europe is located in the southern part of Europe<br/><br/><b>Week 2</b><br/>To know what a river is and be able to describe one. To know that Italy has Rivers and be able to identify them on a map. River Po. River Tiber, River Adige<br/><br/><b>Week 3</b><br/>To know about the mountains and volcanoes in Italy. To know about the ranges Alps and Apennine. To find out about the story of Pompeii<br/><br/><b>Week 4</b><br/>To know about some of the foods that Italian's eat and Italy is famous for:</p> | <p>Prior Learning: Y1 United Kingdom, Y2 Different Places, Y2 Regions, Counties and Cities<br/><b>Settlements</b><br/><b>Week 1</b><br/>To know a settlement is a place where people live.<br/><b>Week 2</b><br/>To identify different types of settlements<br/><b>Week 3</b><br/>To compare and contrast rural, urban and suburban areas.<br/><b>Week 4</b><br/>To examine population density.<br/><b>Week 5</b><br/>To identify the reasons for the location of settlements<br/>In the past, settlements were found near water, for example, next to a river. In the past, settlements needed to be able to defend themselves from enemies. Now settlements need good transport links and many services such as schools, shops and restaurants.</p> | <p>Prior Learning: Y1 Hot and Cold, Y3 Spatial Awareness, Y4 Rivers, Y3 Regions, Counties and Cities<br/><b>South America</b><br/><b>Week 1</b><br/>To know what a rainforest is, describe the distribution of tropical and temperate rainforests, and make comparisons between these two rainforest types. Temperate rainforests were cooler because they are further away from the Equator. Temperatures were generally higher in the tropical rainforest<br/><b>Week 2</b><br/>To be to locate the Amazon rainforest on a world map and describe some of its geographical characteristics. Amazon River runs through the Amazon rainforest and it's the world's largest river by water volume. Amazon</p> | <p>Prior Learning: EYFS maps of house/story maps Spatial Awareness, Y1/2/3/4 Spatial Awareness (map work throughout all previous units)<br/><b>Local Area</b><br/><b>Week 1</b><br/>Local councillors are elected to represent the views of local residents. Ordnance survey maps show where roads and buildings are located. Local issues are things that people in a certain area are concerned about<br/><b>Week 2</b><br/>A sketch map is a simple map drawn from memory.<br/><b>Week 3</b><br/>Geographers think about problems in local areas and suggest ways they can be solved.<br/><b>Week 4</b><br/>Data can be collected and recorded to give us information about an issue.<br/><b>Week 5</b></p> |

|  |  |  |                                          |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                  |
