

Temporary Parent Access to Highgate's Geography Resource

Dear Parent/ Carer,

I have organised for a school code so you (as parents and pupils) can access Oddizzi.

All teachers at Highgate use this website to create lessons for learning in their classes. For KS1, the website will need more adult support. For Y3 and above, the children should be able to move around the site and find useful and interesting information, although some reading support may be needed.

Oddizzi Login:

<https://www.oddizzi.com>

Username: highgateoddizzi

Password: Highgate

When you log into this area you will have access to:

- **EXPLORE THE WORLD**
- **and TEACHERS.**

EXPLORE THE WORLD

Here you will have access to images, information and some videos about different geography topics. This is great for research/ project work.

TEACHERS

If you click on **TOPIC PLANNING**, you will be able to click on a topic and download resources used by the school. **Please only use these if directed to by your class teacher.**

To download resources, you must use the following email address - home@oddizzi.com.

I hope you find these useful.

Mr Hodder
