Outcome of OFSTED visit – 29th October 2020

Dear Parents,

Following the visit from two Ofsted inspectors on 29 October, we have now received a letter outlining their findings – this is attached.

As this was not a routine OFSTED inspection and it does not change our current OFSTED rating unfortunately.

This visit focused on how we have reintroduced the children to the school after the extended break, including looking after their safety and well-being.

The attached letter recognises the work we have done to find out the current level of knowledge and understanding of all our pupils and then adapted our teaching to make sure those that need extra support are getting it.

I would like to thank you for your continued help in supporting your children in their return to school. By doing such things as wearing your masks and observing social distancing guidelines at school drop off and pick up, you are helping to keep staff, children, families and your community safe.

Kind regards

Mr Jenkinson
