## **OFSTED Monitoring Visit (4<sup>th</sup> March) Report:**

Dear Parents/Carers,

Please find attached to this email the final report from OFSTED's latest visit on 4<sup>th</sup> March 2021. This will go live on the OFSTED website over the coming weeks.

The inspection was a monitoring visit for just one day. Although the overall message is an extremely positive one, as it was only a monitoring visit it unfortunately does not change the grading of our school.

In summary, it finds our safeguarding procedures are effective and recognises the great lengths that staff have gone to, to further develop the curriculum (across the whole school including in EYFS) whilst also working hard to support everyone during the period of the pandemic (including with remote learning).

We are particularly pleased with the quotes they included in the report from one of the children (in the last bullet point on page 4) and from the parent survey (in the 8<sup>th</sup> bullet point on page 2). These were indicative of the positive feedback they got from a range of people and I would like to thank you for your continued support.

We look forward to showing the inspectors what a brilliant school Highgate is when they next visit.

Kind regards

Mr T. Jenkinson  
Headteacher
