What a busy start to the Summer Term! We are very pleased with the children's general attitudes and efforts with their return to school. Several parents have asked how they can help their children catch up following the Covid-closures. School is only one part of helping children catch up. The key thing you can all do to help is regularly spend a short amount of time, listening to your child read (or reading to your child) and helping them practise times-tables or number facts. This will really help them lock this into their long term memory. Of course, you are welcome to ask your child's class teacher for advice as to what you can do to help too.

Farewell Ms Dealey: As part of our transition into Bradgate Education Partnership, lots of Ms Dealey's role has moved to the central team at the trust. From the Summer half term, she will be moving across to work at Roundhill Academy. Ms Dealey has worked incredibly hard here at Highgate and will be greatly missed. I am sure you will join me in wishing her the best of luck.

Y6 Sleepover Camp—17th & 18th June: We have now finalised details for our alternative to the residential for our current Year 6. Further details have been sent to parents in Year 6.

Sports Afternoon: We still intend running a Sports Afternoon though unfortunately we won't be able to invite parents in to participate due to Covid-19 Guidance. We will share plenty of photos.

Class/Y6 Photos: We have **Friday 11th June** scheduled for class & Y6 Leavers photos.

School Nurse Support: Parents can self-refer to 'Healthy Together' via the School Nursing office number, 0116 2156795. There is also a **TEXT ONLY** service that you can message for any enquiries (9-5 Monday to Friday) on 07520 615382.

Rainforest Roadshow: We are once again pleased to welcome back this experience for children in Y4 on **7th June**. Payment for this is now open on Parent Pay for parents of Y4.
