

Dear Parents,

In this week's newsletter, there are a few more dates including the start of Bumblebees Class's Biscuit and a Book Club, how much we raised through Bags2School and the initial date for a Year 2 and Year 5 visit.

As usual we also have some photos of some of the work our children have been completing (this time it is Year 6 sharing the research they have been doing in Geography about the diversity of the population of the world) and this week's award winners!

Mr Tomkinson

Year 6 have been doing presentations in Geography to

chets to make the porridge and then children can have fun making faces by adding their favorite fruits. These sachets are really good value and come in boxes of different sizes!

Well done to this week's Highgate Award Winners...
